The Crowsnest Pass is a small community with limited accommodations. The same weekend as our Rally, THE LOST SOUL ULTRA MARATHON takes place, and the Kanata Inn is one of the sponsors of the event. For that reason, combined with weddings and work crews, rooms are often at a premium. The Manager of the Kanata had explained to me that your room could be booked by a credit card, which won't be put through until the event, but the credit card will hold the room. Please call the Kanata and book your room to ensure you have accommodation. It can be cancelled up to a couple days prior to the 12th.
